# WHY SACHEN & MACHEN?

## Our PLUS

- Know-How advance with packing through 22 years of experience
- **versed in the delivery logistics with REWE & Co.**
- During bottle necks and in emergency situations we work for our costumers on weekends as well
- strong company with a good accounting ratio
- well-balanced Mix on sales gaining companies (no existence dependence by one customer)

Over 20 years a  
reliable supplier for  
our partners!

## Respectable capacities and enough storage facilities

- 30.000 pieces of daily packing capacity, though there are still ressources for other companies
- High bay warehouse with enough palette place

# Insight– OFFICE AND PACKING

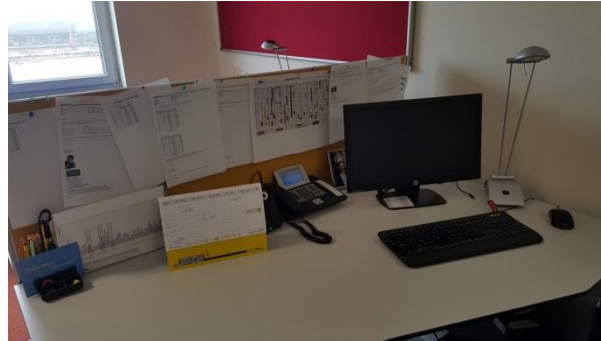

## TEAM ADVANCEMENT LIVED

Weakly teammeetings create structure, clarity and transparency and support the team spirit.

## „CLEAN DESK“

Is a priority with us.

## IT LOOKS LIKE WORK

FRIDAY 5 p.m.: our packing room– the workplace was designed in a workshop with employees and experts.

# Insight – INVENTORY MANAGEMENT AND RECYCLING

## THE SYSTEM MAKES IT POSSIBLE

A warehouse management system simplifies the administration of the pallet places.

## HIGH BAY WAREHOUSE

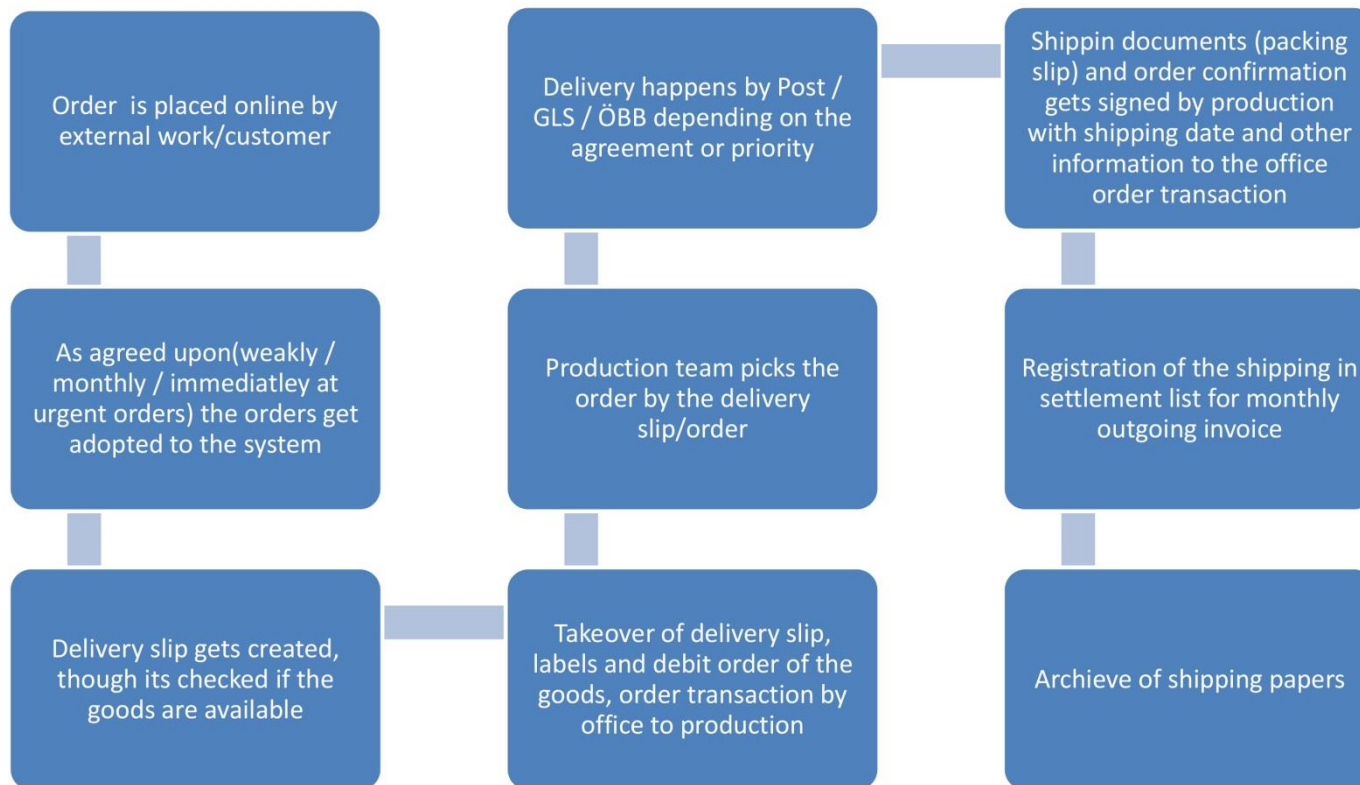

We give home to 1500 pallets

## OUR GUIDLINE: SUSTAINABILITY

Our baling press— no beauty but important for the nature! The pressed cartons get recycled in toilet paper.
